

Greater Pittsburgh GTO Goat Gazette---October 2010 Edition

Hi everyone! Unfortunately, as I write this, I can honestly say we have had the first frost of the season...brrrr!! Most of the leaves are falling to the ground as well as the temperatures. The frost is on the pumpkin and the Christmas decorations are actually showing up in the stores. Yes, I'm afraid another cruising season has come to a close. A wonderful time was had by all that attended the fall fun run to Seven Springs and the Stone Villa Winery. A big thank you to Pete Muro for organizing the run and planning the route.

Our October meeting was held on Thursday evening, October 21 at Kings/Wexford. There were 16 members in attendance counting two new members, Mike Umpleby and Dick Reardon. Thanks to Dick for driving all the way from West Virginia to attend the meeting! It was great meeting both of you. The discussion centered on the possibility of our club hosting a GTOAA Nationals event in 2013. It was decided to send a survey out to all members to get an idea of interest and what we can expect in the way of help. Watch your mailbox for these surveys and please return in the self-addressed stamped envelope by **Friday, November 12**. As you all know this can't be done without the help of each and every one of you!

MEMBERSHIP CORNER

We are still recruiting members into the club. If you know anyone who has a GTO or is a GTO lover, invite them to join. I have attached the application to this message. Please print a few out and keep them in your glove box. The [application](#) is also on our club website. Please remember that membership is the responsibility of all members and we all run into people each and every day that are potential members. Those who join now for \$10 are paid members through the cruising season of 2011.

TECH CORNER

Greater Pittsburgh GTO Club is now on Facebook!! Please make it a point to join the group on Facebook. For those of you who fear getting too wrapped up in Facebook, you need only to create a basic account to join the club page. You can monitor your own security settings and share only what you want. This is a great way for the club to communicate news/events/and things you want to share with other members. For questions on the Facebook page, etc; please contact Website Coordinator, Steve Busalacchi at bus15241@verizon.net. Rumor has it that the GTOAA will be on Facebook in the future too!

Website Coordinator, Steve Busalacchi has been adding a Car of the Month to the website by featuring a different member's car on the front page each month. Those of you who have pictures can forward them to Steve at bus15241@verizon.net. We need pictures! Be next in line to have your car featured!

COMING UP

December 3...Club Christmas party at Carmody's in Wexford, PA. The reservation form is attached to this message. Please return with payment to Greater Pittsburgh GTO Club at the address shown on the form. Payment/reservations needed by **Friday, November 19**. All men should bring a gift suitable for a man and the women bring gifts suitable for a woman.

CLUB CLOTHES CLOSET

We have voted to use Doreen Nelson as our club's provider for embroidered logo wear. I think you will agree that her prices are very reasonable as well as beautifully done. You can see some of her products on her [website](#). She can be reached by email at embetc@aol.com or by phone at 412-381-6884.
